RE: PI # 0005428 - Old Alabama Rd at Old Alabama Connector Rd Concept Approval

Dear Mr. Abubakari,

The City of Roswell is pleased to inform you that the concept for intersection improvements on Old Alabama Rd at Old Alabama Connector and Roxburg Drive/Pinebloom Drive was approved by the City Council on March 10, 2008.

The decision was made after receiving public input at a public open house arranged by the City of Roswell on February 7, 2008. We believe that the suggested improvements will help alleviate delays and improve traffic flows.

Kindest regards,

Kay G. Love
City Administrator
